Scotch High Performance Masking Tape

Humid weather? Choose a tape that's up for the task.

Working in hot and humid conditions can be tricky. Choose a high-performance tape with good solvent and water resistance properties that can be used in environments up to 230°F. Engineered as one of the highest adhesion 3M masking tapes, this smooth crepe paper tape conforms well to difficult or irregular surfaces without tearing. With all the benefits you need for the most demanding applications, this tape can take the heat - so you don't have to.
